

Never a Dull Moment

Group Show Curated by iO Wright

Opening: Saturday, February 6th 2010 from 7-11pm

Show Runs Through: February 27th 2010

White Walls is proud to present *Never a Dull Moment*, a group show curated by iO Wright. *Never a Dull Moment* will transform the gallery into a cohesive environment that embraces all mediums of creativity from sixteen artists. Please join us for the opening reception on Saturday, February 6th, 2010, from 7-11pm.

Never a Dull Moment features Anthony Lister, Alessandro Zuek Simonetti, Jaybo Monk, Angela Boatwright, Augustine Kofie, Dave Potes, Jonathan Darby, Ray Potes, Remi Rough, iO Wright, Erik Otto, Cheryl Dunn, Armsrock, Dave Schubert, Sam Ash and Clayton Brothers. iO Wright has chosen these artists for their “get your hands dirty” and “don’t worry just do” mentality. Without considering outside forces, they are urged to continuously create and express themselves. With shared roots in graffiti art, this group has a flare for action, immediacy, and unpredictability. *Never a Dull Moment* exposes viewers to the creative mind’s raw inner workings and draws distinct parallels between everyday immediate expression and fine art.

Never a Dull Moment will be a transformation of the gallery space into a chaotic, organic environment close to the heart of the artistic process. Film, sculpture, installation, and large-scale wheat paste can be expected from this multi media, multi talented group of artists. Embracing the connection between photography and fine art, *Never a Dull Moment* will meld the two together just as they are in everyday life. Several artists including Jaybo Monk, Remi Rough, Erik Otto, Augustine Kofie and Jonathan Darby plan to create a site-specific installation to accompany their works in the gallery. The installation will no doubt be interactive and multi sensory, with few white walls in sight.

iO Wright is a photography based artist, writer, and curator. Along with co-founding the street art quarterly, *Overspray Magazine*, iO curated *Climb in the Back Window* at Shadow’s Space Gallery in Philadelphia in 2009. Keeping close tabs on urban art, she has also interviewed such influential artists as Shepard Fairey and Erik Foss. This exhibition is curated by iO Wright and sponsored by White Walls, Hamburger Eyes, and New Order Magazine.

The opening reception of *Never a Dull Moment* at White Walls Gallery will be held on Saturday, February 6th, 2010 from 7-11pm. The exhibit will be on display through February 27th, 2010 and is open to the public.
